EU ALLERGENS DECLARATION

Product Name	THYME ESSENTIAL OIL
Botanical Name	Thymus vulgaris
Product Code	PEO1157
INCI Name	Thymus Vulgaris Flower/Leaf Oil

To the best of our knowledge, this product contains the following maximum percentage of naturally occuring ingredients listed as the 82 fragrance allergens in the Commission Regulation (EU) 2023/1545 of 26 July 2023, amending Annex III of the Cosmetics Regulation (EC) No 1223/2009 as regards labelling of fragrance allergens in cosmetic products. These substances must be mentioned in the list of ingredients if their concentration exceeds 0.001% in leave-on products and 0.01% in rinse-off products.

Concentrations are given in % weight in the formula. Concentrations indicated as "-" indicate that the substances are <1ppm and generally below the level of detection using the standard methods developed by the International Fragrance Association (IFRA) (*Chaintreau et al., 2003, J. Agric. Food Chem.*, in press, and the *Method for analysis of allergens EN16274:2021 - Quantification of an extended list of 57 suspected allergens in ready to inject fragrance materials by gas chromatography mass spectrometry*).
